## Advanced Placement (AP)

Students who have participated in the Advanced Placement Program in high school and received a score of three, four or five on the national examinations will receive college credit in the appropriate subject areas. Students should consult their high school guidance counselor or write to the Educational Testing Service, Princeton, NJ 08540, for additional information. The table labeled “Advanced Placement Exams” provides information related to Advanced Placement examination areas and subtest areas for which credit may be awarded.

Use the following tool to assist you in determining your college credit based upon your Advanced Placement (AP) Exam scores. These results are **not official** and all accelerated credit must be sent to Undergraduate Admissions for you to receive official credit.
