Number each page that contains information consecutively.

- The submittals shall have no hard covers, no laminated sheets, and no plastic dividers. Card stock cover sheets and section divider sheets are acceptable.

- Submittals must be typed.

Any submittal exceeding 20 double-sided pages may be penalized.

3. The Instructions portion of this PQS form (pages 1-3) need not be included as part of the submittal.
4. This form may be retyped and sections increased in size to provide additional information or pictures, provided that the requested information is provided in the order requested.
5. Where provisions of the University's "Notice to Professional Consultants" are in conflict with these instructions, the provisions in the Notice shall prevail.

SPECIFIC INSTRUCTIONS FOR COMPLETING THIS PQS SUPPLEMENT:

(Note: The numbers on these instructions correspond to the numbered items on the Florida Polytechnic University Professional Qualifications Supplement form (pages 4 through 8). Use additional sheets when necessary, following the format on the Professional Qualifications Supplement.)

1. **PROJECT INFORMATION:** Enter the discipline as it appears in the public Notice to Professional Consultants in the *"Florida Administrative Weekly"*.
2. **APPLICANT IDENTIFICATION:** Enter the legal name, the address, telephone number and other requested information for the Applicant. If the applying firm has multiple office locations, the applicant is considered to be **only** the office location where the work is to be done, and whose address is provided in this section, and shall be hereafter referred to as "Applicant". Consider only the specific office listed in response to this question as the "Applicant" when completing all other sections of the Professional Qualifications Supplement. Other branch offices are not to be considered when completing the PQS form. Attach a copy of the Applicant's current Professional License. If the Applicant is a corporation, include a copy of the corporate charter certificate from the Florida Department of State. If the Applicant is an out-of-state corporation, enter the foreign qualification number and provide a copy of the Department of State certificate.
3. **Proof of Applicant's Professional Liability Insurance or General Liability Insurance (if applicable).**

4. **SERVICES TO BE PROVIDED:** For the disciplines listed, note which are being provided as part of Basic Services by entering the name of the firm providing the services and professional license number from the appropriate Florida Licensing Board in the space provided. Use names and license numbers of the firm as a whole, rather than of individuals in the firms. Enter the number of previous projects on which the Applicant has worked with each listed consultant.
- 5a. **WORK IN PROGRESS:** List each project currently under contract, including contracts as a consultant to another firm. If the Applicant's office is providing services for a contract held by another office location of the same firm, include a representative proportion of fee based on man-hour records. NOTE: For projects for which the fee is \$20,000 or less, the entry may be combined onto one line. (Ex.: 3 studies, 4 small projects Fee Remaining = \$84,200.)
- **For all projects,** enter the total amount of fee remaining (unearned), including fees for additional service authorizations, but excluding fees payable to consultants in the "Fees Remaining" column. **Failure to list all work in progress will be penalized.**
 - For projects under contract, but on hold for a long or indefinite period of time, enter the amount of fee remaining as described above in the "**On Hold**" column, and provide a letter from the Owner verifying that the project is on hold. Typically projects on hold due to funding issues or projects simply awaiting approvals to proceed into the next phase are not considered to be on hold. If a letter from the Owner is not provided, then that project will be considered to be active, and will be factored into the total Work in Progress amount. Also include projects awarded to the Applicant firm, but not yet under contract in this column with an estimated fee amount.
- 5b. **PROFESSIONAL AND TECHNICAL STAFF, excluding consultants:** Provide the number of permanent staff in each category, and calculate the total. Exclude secretarial and marketing staff, and any staff members whose technical duties comprise less than 70% of their responsibilities. Only employees assigned to the office location identified in response to Question 2 shall be included. If an employee works part-time, or divides his/her work between the Applicant office and another office location, use an appropriate fraction. Provide the name, title, and length of time with the firm, and city of residence for each individual included in the Total Professional and Technical Staff on an attachment in the format provided.
- 5c. **FEE PER PERSON:** Conduct the required calculation.
6. **RELATED EXPERIENCE:** List up to ten minor projects of a comparable type, size and complexity, accomplished by the Applicant. Do not list more than ten projects. **DO NOT LIST PROJECTS ACCOMPLISHED BY ANOTHER BRANCH OFFICE, UNLESS AN INDIVIDUAL ON THIS PROJECT TEAM WAS INVOLVED IN THE PROJECT.** Provide the requested information regarding each project: public or private client; completion date (actual or anticipated); project location; and, construction cost (or fee amount if the project was a study). In the shaded areas, list individual members of the team proposed for these projects, including consultants, who were involved on the listed project and their role in that project. Provide the information in the format provided on this PQS form: do not attach a project list on any other agency's form.

For the column headed "**Role in Project**", enter the following:

- "**Principal**" if the project was accomplished by the "Applicant" firm office location identified in response to Question 2 (if the project was done by a different office location, refer to "IE" below);

- **"Consultant"** if the project was accomplished as a consultant to another firm; and,
 - **"IE"** (individual experience) if the project represents experience of an individual on the Project Team while working for another firm or of another branch of the Applicant firm (in such cases, identify the individual by name and indicate what role the individual played in the project, e.g., project manager, principal-in-charge, project architect, etc.).
7. **PROPOSED PROJECT TEAM:** List by name the key members of the proposed team to be assigned to various projects per discipline as assigned by Florida Polytechnic University for the Applicant. If categories are not applicable, so note. For "Other Key Members," insert their titles inside the parentheses. For all individuals listed, note their license number, the disciplines of registration/training and cities of residence; and attach résumés.
8. **REFERENCES:** For the projects listed in response to Question No. 8, provide the project name, the Owner, and the name and telephone number **and e-mail address** of the Owner's representative. Provide the estimated or actual information for the "Completion Date" and "Construction Cost" columns. References for consultants may be requested at the option of the selection committee.
9. **SIGNATURE:** Sign and date the form. Type the name and title of the officer or principal of the firm who signs the form. **Forms must be signed by the Applicant's authorized individual.**

(NOTE: Signature indicates that the information provided on the PQS form is accurate and in accordance with the PQS instructions (pages 1-3). Signature also indicates Applicant's profession, and that Applicant has not been disqualified from applying for state work under suspension resulting from conviction of any public entity crime as described in Section 287.133, F.S. Information submitted is subject to the Laws of Perjury as stated in Chapter 837, Florida Statutes. Signature further denotes the Applicant's agreement that if information contained in the PQS is found to be false, the Applicant may be disqualified from applying for University work for up to three years.)
