## Exception to Walk at Graduation Request

Complete all required fields in pen, and refer to the following exception to walk guidelines; all criteria must be met.

### Exception to Walk Guidelines

A cumulative GPA of 2.0 or higher is required.
All degree requirements must be completed by the summer or fall for inclusion in commencement program.
No official diplomas will be issued until all requirements have been completed.
Official graduation date will be set for the summer or fall session after final requirements have been completed.
Exception to walk is for one commencement ceremony, unless a second baccalaureate or graduate degree is earned.
Approval to walk does not guarantee graduation; you must complete all degree requirements.
