

Spring 2019 Final Exam Schedule

Yellow highlighted exams reflect that a change has been made from the originally published schedule.

If you do not see your course listed contact your instructor for more information.

Students must check with instructors for multiple section common exam room assignments.

If a student has a time conflict in the final exam schedule or more than two exams on the same day, the student must inform their instructors. The instructor of the highest numbered course is required to provide a make-up exam during the final exam week that does not create further conflicts.
